In a central location on the outskirts of Turnhout is this renovated and particularly spacious family home with numerous assets.

Upon entering, you are welcomed in the entrance hall, which gives access to the bright and spacious living room. This is equipped with a guest toilet and is individually heated via radiators.

Opposite is the fully equipped kitchen, equipped with microwave, convection oven, dishwasher, cooking island, sink with mixer tap, ceramic hob with extractor hood and a spacious fridge with separate freezer. The kitchen is finished with a wood-look tile floor and receives natural light through the PVC windows. In addition, there are numerous outlets for various kitchen appliances, and there is ample space for a cozy breakfast nook. Adjacent, we find two storage rooms that provide additional storage space and practical convenience. One of the storage rooms has connections for a washing machine and dryer.

On the ground floor there is a first, spacious and bright bedroom with its own bathroom. This is equipped with a toilet, a shower stall and a stylish washbasin in a beautiful cabinet.

Through the fixed, wide staircase with skylight, we reach the second floor, where there are three bedrooms, a bathroom and a living space. This living space offers the possibility of easily creating a fifth bedroom. The bathroom has a generous shower with rain shower head and a freestanding bathtub. In addition, the room has a toilet and a large sink, stylishly integrated into a beautiful cabinet.

The garden features a cozy covered terrace with an equipped outdoor kitchen. In addition, there is a spacious lawn with a walnut tree and several fruit trees. In the walnut tree is a nice play tree house with sandbox integrated.
