DESCRIPTION

Spacious family home with 4 bedrooms and multipurpose room!

This spacious, energy-efficient 4-bedroom home offers an ideal combination of living comfort and multipurpose space, perfect for those wishing to practice an independent profession at home. Located on a central plot of 1.160 m², with good connection to entrance and exit roads, this property enjoys excellent accessibility.

Upon entering the house, you enter the entrance hall, which provides access to the various rooms of the house. The entrance hall features a guest toilet and leads to the living room, with a sitting area and dining room. The living room offers plenty of light and gives access to the terrace, where you can enjoy the outdoors. The living room joins the spacious kitchen, which is equipped with a gas stove, refrigerator, double sink and plenty of cupboard space. Both the living room and the kitchen offer a beautiful view of the backyard, creating a pleasant atmosphere.

From the kitchen you enter the laundry room, utility room and multipurpose room. The laundry room features a shower, sink, attached cabinets and connections for both a washer and dryer. The utility room offers additional storage space and gives access to the multipurpose room, which is accessible both from the inside and through a separate entrance at the front of the house. This multipurpose room is perfect for a home occupation or hobby room, depending on your needs. From the utility room, a staircase leads to the spacious basement, which offers plenty of storage space. Furthermore, the house is equipped with an alarm system.

The second floor is accessed via the staircase in the entrance hall and houses 4 bedrooms, including a master bedroom. The floor is also equipped with a separate toilet and a bathroom with a bathtub and double sink. A loft ladder leads to the attic, which offers additional possibilities for further decoration and storage.

The outdoor space is equally impressive, with a large garden, a terrace, a garage and a rear garden house. The garage offers space for at least 2 vehicles, and there is ample parking outside the garage.
